A LANGFORD LANDMARK.

At Willow + Glen, extensive landscaping accompanies contemporary architecture accented by traditional elements. Natural brick and board and batten exterior finishes complement and blend seamlessly into the surrounding area. Every home features two separate outdoor living spaces; a generous second-level balcony and a private ground-level patio.

Bodman Park, a central green space, fosters both a sense of community and collective pride of ownership. On-site picnic tables and benches, a children's play area and an artificial turf dog walking area provide a popular and private family retreat.

DESIGNED FROM THE OUTSIDE IN.

Willow + Glen pays homage to the land it is built on. More than a diverse and beautiful region with lakes, mountains and wilderness areas, Langford is the inspiration for interiors that invite and engage nature with expansive windows, open floorplans and over-height nine-foot ceilings. Natural materials and subtle colour palettes have been chosen to create a sense of serenity, while warm, brushed-oak floors recall the peaceful trails outside your door.

A CERTAIN FUTURE.

Your air-conditioned Willow + Glen townhome is designed and built to be both environmentally friendly and efficient. Construction throughout is to a level above-code, featuring thermally-advanced construction with energy-efficient lighting and fixtures throughout. Thermally broken, double-glazed vinyl windows with enhanced Low-E glazing allow for high light transmission and balanced solar heat gain. Outside, thoughtful landscaping includes low-maintenance vegetation with native and non-native plants with integrated and advanced stormwater management.

A WALK IN THE PARK.

Bodman Park at Willow + Glen is dedicated to the Bodman Family and their long commitment to the Langford Community. The Bodmans resided at 2621 Sooke for generations, and their passion for and efforts on behalf of the area have become a Langford legacy.

The Bodman family home was a gathering place, and the park in their name carries forward a tradition of community and camaraderie. Bodman Park is a central outdoor space, planned to encourage and inspire a sense of pride and place with picnic tables and benches, a children's play area and expansive green space to make it a popular retreat within the Willow + Glen community.

Creating Iconic Spaces.

Our meticulous, time-tested development process spans years—from the initial concept through to completion and is driven by personal engagement with a variety of stakeholders to design meaningful residences that contribute to the local community. Over the last two decades, Abstract has built more than 600 single and multi-family homes in neighbourhoods across Greater Victoria.

MGBA

ARCHITECTURE + INTERIOR DESIGN

IN GOOD COMPANY.

ARCHITECTURE & INTERIOR DESIGN

Mallen Gowing Berzins Architecture (MGBA) is an integrated architecture and interior design firm that specializes in the client experience. From start to finish, projects involve senior-level staff, a consistent point of contact, and a collaborative relationship-based approach. Founded in 2005, MGBA has developed an intentionally expansive portfolio throughout Canada, with offices in both Vancouver and Victoria and additional personnel located throughout Canada. With an approachable manner, clients enjoy a personalized approach to project fulfillment that emphasizes quality and results in distinct designs.

Our work speaks for itself – when you walk into one of our buildings, you can sense our commitment to excellence and our attention to detail.

LANDSCAPE

Since our founding in 1994, LADR has established itself as a leading landscape architecture firm on Vancouver Island. Our tight-knit team of experienced design professionals values an integrated and collaborative design process and consistently strives to improve the relationship between people and their surroundings. Design decisions have daily impacts on everyone's lives, and we are committed to ensuring that the impact our decisions have is positive and enhances those everyday experiences.

The background is a solid dark grey-blue. In the corners, there are faint, detailed line drawings of flowers. A large, full flower is in the top-left corner.
